# Letter from Coach Stewart

This year's Bourne High School football team has a new look - the addition of players from Upper Cape Cod Regional Technical School. Only minutes from Bourne High School, Upper Cape Tech has been a good neighbor in our community for many years. Its students are a welcome addition to Bourne Football. The union of the two Bourne schools has created a single-minded effort to create a successful football program.

On Friday, May 12, 1995 the Class of 1996 held their Junior Prom at the Balleymeade Country Club in Falmouth. ### **The Road Not Taken**

Two roads diverged in a yellow wood,

And sorry I could not travel both And be one traveler, long I stood And I looked down one as far as I could

To where it bent in the undergrowth;

Then took the other, as just as fair,

And having perhaps the better claim,

Because it was grassy and wanted to wear;

Though as for that the passing there

Had worn them really about the same,

And both that morning equally lay In leaves no step had trodden black.

Oh, I kept the first for another day!

Yet knowing how way leads on to way,

I doubted if I should ever come back.

I shall be telling this with a sigh Somewhere ages and ages hence:

Two roads diverged in a wood, and I - - -

I took the one less traveled by, And that has made all the difference.
